AGENDA ITEM SUMMARY**

Meeting Date: September 21, 2005

Division: Land Authority

Bulk Item: Yes ☐ No ☒

Staff Contact Person: Mark Rosch

Agenda Item Wording: Approval to purchase Lot 2, Caribbean Heights on Key Largo for conservation.

Item Background: This acquisition is proposed pursuant to BOCC Resolution 39-2004, which calls for the Land Authority to purchase natural areas consisting of at least two acres of upland native habitat located outside the Conservation and Natural Area. The Land Authority has already purchased 2.31 acres within the subject natural area on the bayside of Key Largo at MM 98. The property proposed for purchase today will protect an additional 0.18 acre of the site. The property's zoning is Improved Subdivision (IS) and the vegetation is tropical hardwood hammock.

Following initial work to remove solid waste and exotic vegetation from the site, land stewardship needs for this property are anticipated to be low.

The Executive Director has executed the Land Authority's standard purchase contract for this transaction. The agenda packet spreadsheet lists the legal description, purchase price, and estimated closing costs.

Advisory Committee Action: On August 24, 2005 the Committee voted 4/0 to approve this acquisition.

Previous Governing Board Action: Sitting as the BOCC, the Board approved Resolution 39-2004 on January 21, 2004.

Contract/Agreement Changes: None.
